

2026 International Interview Competition

Rules

1. Purpose of the Event:

The purpose of this event is to enhance International students' career competitiveness and confidence. The competition helps students familiarize themselves with the interview process, improve self-expression skills, and understand the needs of businesses for talent by simulating real interview scenarios and using a competition format. Besides, the competition provides real-time feedback from professional judges, allowing participants to reflect on and improve their performance. This process strengthens job-seeking skills, self-positioning, and foundation for future career development.

2. Eligibility:
